

## EXPAND YOUR AI NETWORK AND JOIN OUR COMMUNITY!

The International Neural Network Society (INNS) is the premier organization for individuals interested in biological and artificial neural networks, the foundation and applications of today's AI.

Collaborate with a global community of over 2,000 leading researchers, academics, and industry professionals. Visit us online at [www.inns.org](http://www.inns.org) to learn more and to become a member.

## WHY JOIN INNS?

### NETWORK

#### CONNECT

with 2,000+ AI professionals through member-only directory

#### LEVERAGE

networking opportunities at IJCNN:

- » Panel discussions
- » Section meetings
- » Mentor-Mentee Program
- » Doctoral Consortium

#### ACCESS

webinars and workshops

### SAVE

#### RECEIVE

\$100 USD discount on registration to IJCNN, the annual premier AI conference

#### APPLY

for student travel grants up to USD \$1,000 to attend IJCNN, the annual premier AI conference

#### OBTAIN

up to 75% off annual INNS student membership

### PUBLISH

#### NEURAL NETWORKS JOURNAL

- » Complimentary access to Journal
- » 50% discount on open-access article processing

## 7.2

Impact Factor

## 10.9

2026 CiteScore

### SHAPE THE FUTURE

#### PROPOSE

new INNS Sections on topics of interest in neural networks

#### SERVE

on organizing committees and within INNS Sections

#### VOTE/RUN

for the INNS governing body, the Board of Governors
